

Multi-conference «Bioinformatics and Systems Biology»

BGRS\SB-2014, ISHG-2014, MM-HPC-2014

Novosibirsk, June 23-28

June 23 (Monday)

09:00 – 13:00	Registration
13:00 – 13:05	Opening <i>Great hall, House of Scientists SB RAS</i>
13:05 – 15:20	Plenary lectures (1,2,3) <i>Great hall, House of Scientists SB RAS</i>
15:20 - 15:35	Coffee break
15:35 – 17:50	Plenary lectures (4,5,6) <i>Great hall, House of Scientists SB RAS</i>
18:00 – 20:00	Poster session
20:00 – 23:00	Welcome party

June 24 (Tuesday)

Time	Small Hall <i>House of Scientists</i>	Exhibition Centre	Music hall <i>House of Scientists</i>
08:30 – 09:00	Symposia opening		School opening
09:00 – 13:00	BGRS-2014. Evolutionary biology	ISHG-2014. Medical genetics	School. Computational analysis of next-gen sequencing data
14:00 – 19:00	MM-HPC-2014. Text-mining and intelligent analysis of knowledge in databases	ISHG-2014. Medical genetics	School. Practical training

June 25 (Wednesday)

09:00 – 13:00	BGRS-2014. Systems computational biology	ISHG-2014. Translational medicine	School. Evolutionary bioinformatics
14:00 – 19:00	BGRS-2014. Systems computational biology	BGRS-2014. Plant systems biology	ISHG-2014. Translational medicine School. Practical training (ICG)

June 26 (Thursday)

09:00 – 13:00	BGRS-2014. Genomics and epigenetics	MM-HPC-2014. High performance computing and software tools for bioinformatics and biomedicine	School. Gene networks modeling and supercomputing
14:00 – 19:00	BGRS-2014. Genomics and epigenetics	MM-HPC-2014. Hemodynamics and tomography	Open seminar of German/Russian Virtual Network of Bioinformatics "Computational Systems Biology"

June 27 (Friday)

09:00 – 13:00	BGRS-2014. Proteomics, metabolomics and computational pharmacology	MM-HPC-2014. Pharmacokinetics and immunology	School. Presentations by young scientists
14:00 – 19:00	BGRS-2014. Proteomics, metabolomics and computational pharmacology	MM-HPC-2014. Gene networks	School. Presentations by young scientists. Nomination of best presentation
19:30 – 23:00	Closing of the Conference. Banquet		

June 28 (Saturday)

During the day	<i>Cultural program: Geological Museum, Sun Museum, Novosibirsk city sight-seeing tour, Novosibirsk Planetarium.</i>
