UNIVERSITY"
DESIGN, ECONOMICS AND SERVICE INSTITUTE

ALL-RUSSIAN SCIENTIFIC AND PRACTICAL
CONFERENCE
(WITH INTERNATIONAL PARTICIPATION)

**«PROBLEMS AND PROSPECTS OF CONSUMER
INDUSTRY: APPAREL, FASHION, SERVICES»**

November 24-25, 2020

<http://conf.ict.nsc.ru/ConsumerIndustry-2020/ru>

The key mission of our conference is to strengthen ties between university scientific research groups and enterprises in the real sector of the economy in order to disseminate knowledge about methods, approaches and experience in consumer industry and the service sector.

The conference is attended by students, graduate students and scientists of Omsk State Technical University, as well as representatives of Russian and foreign educational and scientific organizations, industrial enterprises, federal and regional authorities, and local authorities.

Aims and objectives:

- discussion of scientific, innovative issues, application problems and the results of the implementation of new developments in the production of goods and services;
- development of scientific and technical ties between leading research schools and groups, which deal with the problems of consumer industry and those of related fields of science and technology;
- raising the quality of training young scientists, students, high school students and involving them in solving scientific and technical problems of consumer industry and service sector.

Omsk 2020

SCIENTIFIC SECTIONS OF THE CONFERENCE

Section 1. *Innovation as a contributor to the efficiency of production in consumer industry*

Moderator – V. Yu. Yurkov, Dr. Tech. Sciences, Professor of the Department of Design and Technology of Consumer Industry Products.

Assistant – O.V. Revyakina, Cand. Tech. Sciences, Associate Professor of the Department of Design and Technology of Consumer Industry Products.

Section 2. *Advanced technologies in service activities*

Moderator – I.V. Svetlichnaya, Cand. Cultur. Sciences, Associate Professor of the Department of Design and Technology of Consumer Industry Products.

Assistant – E. V. Kosova, Cand. Tech. Sciences, Associate Professor of the Department of Design and Technology of Consumer Industry Products.

Section 3. *Fashion and the art of costume in modern society*

Moderator – I.I. Shalmina, Cand. Tech. Sciences, Professor of the Department of Design and Technology of Consumer Industry Products.

Assistant – I.V. Vinichenko, Cand. Historical Sciences, Associate Professor of the Department of Design and Technology of Consumer Industry Products.
