INVITATION FOR SPONSORS

Dear representatives of coal mining and processing enterprises, energetic and ecological companies, foundations, and dialers of the scientific equipment! The presence on the Symposium will give you an opportunity to attract the scientific community’s attention to your problems and to present your production and services, to find the prospective ideas for your projects’ realization matching the symposium’s scope. We believe in the possibility of the mutually beneficial cooperation and invite you to participate in the symposium supporting it as sponsors.

SOCIAL PROGRAM

The excursions to the museum-reserves Tomskaya Pisanitsa and Krasnaya Gorka as well as city tour will be organized for the participants.

**Tomskaya Pisanitsa**
Tomskaya Pisanitsa is a historical, cultural and natural museum-reserve located in the park zone 50 km to the north from Kemerovo on the right bank of the Tom’ river. Its surface area is 140 ha. The museum is proud of 280 petroglyphs kept saved dating by IV-I thousands of years before Christ.

**Krasnaya Gorka**
The museum-reserve was founded on the territory of former Kemerovo coal mine in order to save the unique industrial heritage being the united mining, industrial and town complex of the first third of the XX century.
Participants of the Symposium are given the opportunity to publish their articles in journals indexed in Scopus databases in English.
